DISCUSSION QUESTIONS FOR FAMILY, FRIENDS & GROUPS

ICEBREAKER: If you could have a step-by-step guide for one aspect of life that doesn't come with a manual, what would it be?

- 1) How does sticking with the Bible help us avoid becoming people who are "deceiving and being deceived" (4:13)?
- 2) What does it mean for the Bible to be "God-breathed" (4:16)? How does that change the priority we put on it in our lives?
- 3) Who have been the most significant teachers of the Bible over the course of your life?
- 4) Why is it important for a church to be deliberate about teaching people both what the Bible says and how to read the Bible for themselves?
- 5) Paul says that the Scriptures are "able to make you wise for salvation" (4:15). How does an emphasis on Bible teaching and reaching people with the gospel go together in a church?
- 6) Do you believe that "all Scripture is...useful"? Or just some? What makes it difficult to learn and grow from every part of the Bible?
- 7) Describe the different ways Scripture equips us from 2 Timothy 4:16. What do each of those four terms mean?
- 8) Why is it so important to not lose your focus on application when studying the Bible? Why is it so easy to lose that focus?
- 9) What do you do to make sure you are actually applying what the Bible says?

PRAYER PROMPT: Share what you are doing to engage in Scripture daily. Pair up and pray for each other's personal Bible study habits.
