## WHAT GOD IS DOING IN BRAZIL

INTERNATIONAL IMPACT WEEKEND | FEBRUARY 14 & 15, 2026

**Notes:**

## DISCUSSION QUESTIONS FOR FAMILY, FRIENDS & GROUPS

---

ICEBREAKER: If you could be instantly fluent in any language in the world, which would you pick and why?

1. Christ Community Church has International Impact partners in six different countries. We have long term relationships with churches and ministries from those countries. What are the advantages of this approach?
  2. What is the value of cross-cultural friendships (for individuals) and partnerships (for churches)?
  3. What are the dangers of only focusing on your life and community? What negative effects does it have if an individual (or a church) is disengaged with what God is doing around the world?
  4. What parts of the documentary hit home most with you?
  5. Have any of you been on a Go Team? What was your experience like?
  6. What step can you take to be more aware of and engaged with our International Impact partners?
- PRAYER PROMPT: Go to CCC's International Impact page and click on "Pray" ([ccclife.org/prayii/](https://ccclife.org/prayii/)). Pick one of our partners and pray for the needs listed.
